Model: DMK7

External Dimmer - 16 Feet

View Product Online

Features

- External dimmer cable & knob
- Quick & Easy to Install
- Adjust Backlight brightness from 1 to 100%
- Compatible with every Beetronics monitor

The DMK7 external dimmer is compatible with all metal Beetronics monitors and touchscreens. The dimmer cable is easily connected thanks to the dedicated 3.5mm port at the back of the monitor. The dimmer cable and knob allow for precise and immediate control of the backlight brightness from 1 to 100%, perfect for use in low or variable light conditions.
